CALL TO ORDER

The Carroll County Public Service Authority held their regularly scheduled meeting on Monday, April 08, 2019 at 3:00 p.m. in the Carroll County Governmental Center Board Meeting Room. Members present included: Keith Meredith, Chairman, Jeanette Dalton, Dr. Thomas Littrell, Doug Winesett, Vice Chairman, Phillip McCraw, and Garry Jessup. Also present were Executive Director/PSA Engineer, Jessica Montgomery and Dana Phillips, Assistant Director, Secretary/Treasurer of the Authority.

Mr. Meredith – I'd like to welcome everyone here this afternoon. I want to thank the Board Members for being here today. At this time, Citizen's Time which we don't have anyone signed up. We don't have but a couple supervisors and the media but if any of you gentleman would like to share some knowledge with us today we'd appreciate it. Not today? If not, we have a closed meeting today and I hope we don't take too long with that. I'll take a motion to go into closed meeting.

(ORDER)

CLOSED MEETING-PURSUANT TO VA CODE SECTION 2.2-3711 A (1) DISCUSSION OF PERSONNEL

Upon a motion by Dr. Littrell, seconded by Mr. Winesett and duly carried by the Authority does hereby enter into closed meeting at 3:02 p.m. until 3:16 p.m. for the discussion of VA Code 2.2-3711 A (1) discussion of personnel.

(ORDER)

Upon a motion by Dr. Littrell, seconded by Mr. Jessup and duly carried by the Authority does hereby convert out of closed meeting.

Whereas the Authority has convened a Closed Meeting on this date pursuant to an affirmative recorded vote on the motion to close in accordance with Virginia Freedom of Information Act.

(ORDER)

CERTIFICATION OF CLOSED MEETING

Therefore, be it resolved that the Authority certifies that to the best of each members knowledge (1) only public business lawfully exempt from open requirements by Virginia law were discussed in the

Closed Meeting in which the certification as identified in this motion concerning the closed meeting were heard or considered by the Authority certification resolution applies and (11) only such public matters as were identified in the motion concerning the Closed Meeting were heard, or considered by the Authority.

(ORDER)

APPROVAL OF CONSENT AGENDA

Upon a motion by Mr. Jessup, seconded by Mrs. Dalton, and duly carried the Authority does hereby approve the consent agenda, section A, B and C. The March 11, 2019 minutes were also approved, they are on file in the PSA office. Claims are as follows:

Claims

Check # 23257-23280 \$66,982.68
Check# 23281-23292 \$13,550.98
Check# 23293-23318 \$174,397.85

Transfer for Claims

CCPSA to Operating March 12, 2019 \$66,982.68
CCPSA to Operating March 25, 2019 \$13,550.98
CCPSA to Operating April 8, 2019 \$174,397.85

Transfer for Reserve

CCPSA to Debt Reserve \$8,918.62

New Business

The one item that I have, and we've been working with the Board of Supervisors, a small group committee meeting regarding rate structure. We met again last week; I think we've made considerable strides in coming to a resolution. There are still a few things up in the air, but I would like to thank the Board of Supervisors for their cooperation and hopefully by next meeting if not sooner we will have a fee schedule that we can all present in a public hearing for the near future and I want to thank Doug for sitting in the

committee with me. And Robbie and Joe Webb and Rex are actually sitting on a couple of those; we appreciate that. Is there any other new business that we need to bring before the group?

Project Up-Dates

Cana Well Improvements Project

Cana water is pretty much same as last month. We have looked at the well, the video and the information has been sent to the Lane Group and they're starting their design process.

Coulson Church Road/Ridge Road

This one is waiting on the rates to be set. Once that is done we'll take a look and see if the project is still feasible to do if it's cash flow positive at that point. I will report to you as soon as we have those rates.

FUNDING APPLICATIONS

There are no active funding applications at this time.

PSA Updates:

- Total of 90 work orders in March (check pressure, check for leaks, turn-off, turn-on, etc.)
- Construction items completed –
 - 1 new water connections
 - 1 new sewer connection
 - Didn't have any leaks
 - SCADA management
 - Miss Utility Markings that our guys handle – 2 emergency markings, 57 markings for water and 16 sewer markings
- Maintenance items completed-
 - Worked at the Hanes Well
 - Cana #8
 - Camera work
 - Pump and pipe replacement

- Site clean-up at well #8
- Gladeville pump station meter calibration and repair
- Pulled a meter and pump at Crooked Creek pump station for warranty repairs
- Started work in work for Cana Well #1 upgrade
- Help with removal of booster pump and motor at Lynnhaven pump station
- Repaired the gate at the Lynnhaven pump station
- Repaired the gate at the Carroll County Well #3
- Repaired Industrial Park pump station
- Replaced the pump in the EQ Basin at the wastewater treatment plant
- Helped with turn-offs
- Performed 3 work orders
- Moved the excavator to the Farmers Market
- Installed decals to the vehicles (as time and weather permits)
- Built shelves at the shop
- Regular routine sewer pump station maintenance
- Inventory updates weekly
- Operations items completed-
 - Routine water flushing
 - Daily – sewer plant at Loves, check chemicals in water systems, wells, tanks, sewer pump stations, customer service, etc.
- Office items completed-
 - Daily - customer service, deposits, review of payments, bills, invoices, scan checks, balance bank statements, close-outs, etc.
Monthly - meter reading (office staff and field staff), print bills, print late-bills, prepare cut-off list, close-out, balance bank statements, etc.

Mrs. Montgomery – Speaking of moving the excavator to the Farmers Market, the PSA now has a resource request form that's online. When another department within the County calls and asks to use the excavator or dump truck or even an employee for something it is noted and documented and kept on file. If you ever want to see that just let me know. Also, I have put a copy in each of your spots

of the presentation that I took to the Board of Supervisors for the budget. You have the budget last month in your packet the proposed budget but this I just tried to simplify it a little bit and make it more visual. What our computer program prints out sometimes can be a little cumbersome to look at, so I tried to make it a little easier and we'll be approving that here in the next couple months. If you have any questions or any comments regarding this budget, please let us know.

Mr. Meredith – Thank you Jessica. Does anyone have any questions?

Mr. Jessup – Do we approve the budget before it goes to the Board of Supervisors?

Mrs. Montgomery – The PSA's budget is separate.

Mr. Jessup – That wasn't what I asked. Do we approve the PSA budget before it goes to the Supervisors for them?

Mrs. Montgomery – We looked at the budget it was in your board packet last month and we showed them what our projected revenue and expenditures were at their last budget meeting but then we approve it sometime before July 1.

Mr. Jessup - Okay

OLD BUSINESS

Mr. Meredith – Gary we're under old business and I understand that the tank has been moved.

Mr. Jessup – Yeah gonna work on it tomorrow. According to Jessica we're gonna work on it tomorrow.

Mr. Meredith – Is there any other old business?

AUTHORITY MEMBER'S TIME

Mrs. Dalton – I don't have anything. I do think the staff is doing a great job. Thank you

Dr. Littrell - I don't have anything today.

Mr. Winesett – No sir I don't have anything today.

Mr. McCraw – Nah

Mr. Jessup – Yeah on the budget all this is projected and if we don't have a user fee are we gonna have enough money to operate?

Mr. Meredith – We will have to adjust rates to match expenditures.

Mr. Winesett – What we're gonna do is set the budget we're working on to where it comes out even.

Mr. Meredith – The expenditures are the cost of doing business, so we have to generate enough revenue to cover expenses. The Supervisors have a taxing mechanism, property taxes, real estate taxes, personal property taxes, the only thing we have is rates for users so those would have to be adjusted to cover costs.

Mr. Jessup – But nothing says we're gonna get this projected number.

Mr. Meredith – For?

Mr. Jessup – Income

Mr. Meredith – We have to generate the income through rates.

Mr. Jessup – I know that but all those contractors out there but those contractors out there \$300 a month they can go away.

Mr. Meredith – Who's that?

Mr. Jessup – Don't we have contractors out there where we have meters they walk in and hand them to you at the end of that contract and no revenue then?

Mr. Meredith – These are the things the rate committee is looking at. I understand what you're saying now. There are those folks that could terminate their service we hope that's not the case. If it is the case

**MEETING MINUTES

BOARD MEETING ROOM
HILLSVILLE, VA
PAGE 7**

and we have a mass exodus, then we would have to meet again to adjust rates accordingly, but we certainly hope that's not the case.

Mr. Jessup – I wouldn't bet on it.

Mr. Meredith – Anything else? Well, I would like to thank the staff and everyone else.

(ORDER)

ADJOURNMENT

Upon a motion by Dr. Littrell, seconded by Mr. Winesett, and duly carried the Authority does hereby adjourn at 3:27 p.m. until the next regularly scheduled meeting on May 13, 2019 at 3:00 p. m. in the Carroll County Governmental Center Board of Supervisors Meeting Room.

Mr. Keith Meredith, Chairman

Jessica Montgomery, Executive Director

Dana Phillips, Sec./Treasurer

Sewer Availability Fee	\$0	\$6.00 Monthly
Water & Sewer Connection Fee		
3/4 Water Connection	\$750.00	\$2,500.00
3/4 Sewer Connection	\$750.00	\$2,500.00
1" Water Connection	\$950.00	\$2,700.00
1" Sewer Connection	\$950.00	\$2,700.00
Service Fee		
Return payment	\$25.00	\$35.00

*New term-Water Availability Fee-Fee that will be charged to residents where sewer is available according to the Carroll County Ordinance(s).

MAY 2019 PROJECT UP-DATES

Cana/Meadowbrook Water – Planning Phase

The CCPSA has received a MRPDC grant (\$100,000) to be used toward well improvements. SCADA prices have been received for the Cana Tank level and Well #8. The camera work was completed on well # 8 in Cana on February 27-28 and the well was put back into service on March 1. All the pipe in the well had to replaced as well as the pump---this was the original pump and pipe from 1991. The Lane Group has been selected to design the filtration system on Well #8 after the camera results are back. MRPDC will accept well-related repair expenditures (pump replacements, electrical work, engineering services, etc.) paid within the past 12 months to be counted toward the match requirement.

Coulson Church Road/Ridge Road – Design Phase

The project is currently on hold the PSA is reviewing the budget and other items. Plans for the proposed work have been submitted to and approved by VDH. Working on securing other regulatory permits. Plans and specifications have been submitted to the funding agency for biddability review, comments have been received, and have been responded to. Draft easement documents have been prepared for those locations where the water line would be installed off of VDOT r/w, and the draft easements have been provided to the CCPSA.

FUNDING APPLICATIONS

No active funding applications at this time.

PSA Update:

The PSA has approximately 200 miles of water lines, 50 miles of gravity sewer lines, 25 miles of force main sewer line, 795 fire hydrants, 12 sewer pump stations, 12 water storage tanks, several wells and several water booster pump stations. The PSA's Water systems are as follows: Cana, Exit 1, Fancy Gap, Regional, Tower Road and Hillcrest Estates. The PSA's Sewer systems are as follows: Fancy Gap, Woodlawn, Gladeville/Cranberry, Hillsville and Loves. All of this is operated and maintained with a staff of 13 people.

- Total of 90 work orders in April (check pressure, check for leak, turn-off, turn-on, etc)
- Construction items completed –
 - 3 new water connections
 - Leaks repaired – 3 Crossridge, Carrollwood, Faddis Hill, Douglas Way
 - SCADA management
 - Miss Utility Markings (5 emergency, 69 water and 27 sewer tickets)
- Maintenance items completed-
 - Repaired hood on Crooked Creek pump station, repaired hood on Hillsville Elementary School pump station, replaced motor and pump seals at the Crooked Creek pump station, patched roof on Wilson well, replaced check valve and bladder tank on Cana well #2, replaced backflow valve and repaired leaking meter on Carroll County Well #3, repaired SCADA at Exit 1, moved excavator to Farmers Market, mowing, work orders, cut-offs and weekly sewer pump station maintenance.
 - Inventory updates-weekly
- Operations items completed-
 - Routine water flushing
 - Daily – sewer plant at Loves, check chemicals in water systems, wells, tanks, sewer pump stations, customer service, etc.
- Office items completed-
 - Daily-customer service, deposits, review of payments, bills, invoices, scan checks, balance bank statements, close-out, etc.
 - Monthly-meter reading (office staff and field staff), print bills, print late-bills, prepare cut-off list, close-out, balance bank statements, etc.
 - Rate study-continue
 - Researching new cloud-based billing software

AGENDA FOR THE REGULAR MEETING OF THE
NEW RIVER REGIONAL WATER AUTHORITY
HELD AT THE TOWN OF WYTHEVILLE,
MUNICIPAL BUILDING
IN WYTHEVILLE, VIRGINIA
THURSDAY, April 18, 2019, AT 10:00 A.M.

RE: CALL TO ORDER, QUORUM

RE: INVOCATION AND PLEDGE OF ALLEGIANCE

RE: CONSENT AGENDA

RE: CITIZENS' TIME

RE: VENDOR TIME

RE: APPROVAL OF INVOICE

1. AEP	\$13,842.42
2. Town of Wytheville	\$49,668.72
3. Wythe County	\$22,648.07 (February)
	\$25,112.61 (March)

RE: CHIEF OPERATOR'S REPORT

1. DEQ Inspection
2. Safety
3. Mr. Farmer Class 2 Exam
4. Process Chemical Prices
5. New Raper Ridge Tank
6. Budget Meeting
7. Turbidimeters

RE: BOARD TIME

Chief Operators Notes

1. Mrs. Patti Higgins, with DEQ, was onsite March 25th to conduct an inspection in reference to our withdrawal permit (VWP 04-2106). She reviewed records, the permit, and conducted a walkthrough of locations pertaining to the permit. This permit will expire on January 8, 2021. A new application will have to be sent in 180 days prior of the expiration towards a re-issuance of the permit. Mrs. Higgins noted that we may have to update our screens on the intake structure in the river to a 1mm mesh vs the current 2mm openings before the permit will be reissued. The main 2 pages of the report are attached to your board packet. There were no deficiencies noted other than the current screens.
2. VACORP sent me an online safety training program which I have started using as of April. Mr. Jim McClellan from VACORP was onsite 4/10/19 to conduct a type of mock OSHA walkthrough of the facility. We discussed a variety of safety related items and ideas. Two of the major items discussed were the dechlorination pit and the raw well at the river pump station.
 - a. He suggested that we make sure that the contractor that enters the raw well has workers comp, insurance and that we have a copy of it.
 - b. The dechlorination pit at the plant is a confined space as well as a fall hazard. The operators are currently entering the pit to check or fill the dechlorinators regularly. Mr. McClellan did not have an easy or cheap solution to minimize risk. Ideally operators would never have to enter the space. He suggested exploring options to move the dechlorination point. I have contacted Mr. Peed about this. I do believe we can find another point before or after the dechlorination pit that would be safer to service. Mr. McClellan will be sending a report of his findings.
 - c. One PPE suggestion he had was safety toe shoes for the operators. If safety toe shoes are required, I suggest that the NRRWA cover part of this. This is one item in which the employer does not technically have to purchase, as they can be used

outside of work. This will be an item I plan to discuss during the budget meeting.

- d. Throughout the facility there are many confined spaces. Mr. McClellan recommends checking the atmosphere of these areas and building a log of the results. He suggested starting weekly and then decreasing the frequency or as there are process changes. Our current gas meter was found inoperable. I purchased a battery which allowed it to turn on, only to find that the oxygen sensor was bad. The meter is no longer supported by the manufacturer which means we will need to purchase a new gas meter. (est. \$1000)
- 3. Mr. Joe Farmer has taken his class 2 again and PASSED on 4/11/19.
- 4. We are going to be over budget on process chemicals for this FY. (Est. \$35-36,000) I have begun comparing process chemical prices from Lighthouse Chemicals, Brenntag, and Surry Chemicals. A comparison is attached. We haven't used Surry in the past, but their prices look promising. Mr. Roger Gravely general manager of Surry Chemicals was onsite 4/11/19 to discuss our recent chemical quotes. He quoted a new chemical (Surchem ELTH) for dechlorinating that may alleviate the need to enter the dechlorination pit as well as be a cheaper option. I plan to discuss this further with Elvan Peed and Russell Jackson at the operators meeting, tentatively scheduled for May 8th, 2019.
- 5. The majority of the new Raper Ridge Tank filling began on March, 26th 2019. The Town of Wytheville worked 2 night shifts during this process as the Fort Chiswell pump station was turned off. Thank you to those operators for the extra work. We only had to work late one night. The tank was put online 4/16/19.
- 6. Mr. Peed and Mr. Jackson were onsite March 28, 2019 to discuss the plant operations and budget. I enjoyed meeting with them and our discussion. It was very informative and helpful to me. We hope to have the budget ready by the May meeting.
- 7. I have been working on inline turbidity meter quotes and hope to order them soon.

**MINUTES OF THE REGULAR MEETING OF THE
NEW RIVER REGIONAL WATER AUTHORITY
HELD AT THE TOWN OF WYTHEVILLE,
MUNICIPAL BUILDING IN WYTHEVILLE, VIRGINIA
THURSDAY, March 21, 2019 AT 11:00 A.M.**

Members present: Stephen Bear (Wythe County), C. Wayne Sutherland, Jr. (Wytheville), Jessica Montgomery (Carroll County), Steve Truitt (Carroll County), Joseph E. Hand, Jr. (Wytheville), Gene Horney (Wythe County)

Members absent: Tim Reeves (Wythe County),

Others present: Jonathan Hanks, Beth Taylor, Evlan Peed, Zachary Slate,

RE: CALL TO ORDER, QUORUM

Chairman Bear established that a quorum of Authority members was present and called the meeting to order at 11:04 a.m.

RE: INVOCATION AND PLEDGE OF ALLEGIANCE

Ms. Montgomery led those present in the invocation, followed by the Pledge of Allegiance.

RE: CONSENT AGENDA

Chairman Bear presented the Consent Agenda consisting of the minutes of the regular meeting of February 21, 2019 to the Authority members for approval. Chairman Bear inquired if there was any discussion on the minutes as presented. Mr. Sutherland made a motion, which was seconded by Mrs. Montgomery, to approve the Consent Agenda including the minutes of the February 21, 2019 meeting. The motion passed unanimously with all members present voting to approve the Consent Agenda, including the minutes of the February 21, 2019 meeting.

RE: CITIZENS' TIME

Chairman Bear inquired if there were any citizens present with topics of discussion during the meeting. With no one to address the Authority, Chairman Bear proceeded with the agenda.

RE: VENDOR TIME

Chairman Bear inquired if there were any vendors present who wished to address the Authority. There being no vendors to address the Authority, Chairman Bear proceeded with the agenda.

RE: APPROVAL OF INVOICES

Chairman Bear advised that the next item on the agenda was the Approval of the Invoices as follows:

1. AEP	\$13,759.41
2. Town of Wytheville	\$70,119.27
3. Wythe County	\$20,562.83
4. Enel X	\$2,196.99 (Credit)

Chairman Bear inquired if there was any discussion on the invoices presented. There being no discussion, Chairman Bear inquired if there was a motion to pay the invoices. A motion was made by Mr. Horney and seconded by Mr. Hand to pay the invoices as presented. The motion passed unanimously with all members present voting to pay the invoices.

RE: CHIEF OPERATOR'S REPORT

Chairman Bear turned the meeting over to Mr. Zachary Slate.

Mr. Slate reported Lagoon #1 was cleaned by the plant operators in conjunction with LUSK Disposal Service to haul off and dispose of silt. Previously, the operators were using V&M Regional Recycling, to haul all the silt disposal, but they were unable to do the work. This put plant maintenance behind. While V&M was cheaper, LUSK was available. We've been using LUSK for this which has pushed the budget over for silt removal Lagoon #1 now clean and has a new layer of sand and is back in service.

Mr. Slate reported Mr. Eric Herold emailed a summary of the water quality results for the year 2018. I have attached this in the board packet. There were no violations noted.

Mr. Slate reported we received the report from our plant inspection on 2/5/19, which was conducted by Mr. Eric Herold with VA Dept. of Health, Office of Drinking Water. Mr. Slate has included his comments from this inspection as well as the summary of problems identified in previous inspections [in the board packet]. We have already corrected several of these items such as, repairing the inline pH meter, ordered new primary standards for the inline turbidity meters, and performing the required filter tests.

Mr. Slate reported a replacement fluoride meter has been ordered. The VDH will be reimbursing us for this purchase. Jonathan initiated this process. Mr. Slate thanked him for this.

Mr. Slate reported the bidding process for the 2019 ground maintenance contract ended as of March 8th, 2019. Only 2 Bids were received. Jackson Lawn Care came in with the lowest offer at \$285/session and was awarded the bid. The 2 bids are in the packet as well.

Mr. Slate reported VA Heating and Cooling were on site 3/1/2019. Our new heat pump was making noise. Upon investigation we found it to be severely iced up to the point of damaging the fan blades. VA Heating and Cooling ordered new fan blades and put them on 3/21/19. During the time in between we had to run emergency heat. Hopefully that has corrected the problem. VA Heating and Cooling asked us to keep an eye on it daily. If they become iced up again, they may have to revisit.

Mr. Slate reported in an effort to keep the operators safe and compliant I have been ordering various PPE for each operator. After discussing with the operators how we were handling the sodium permanganate barrels, I ordered longer tubing for the chemical pump. I am hope this will allow us to pump the solution from outside the building versus moving the big heavy barrel inside the building over a ramp. The tubing is in and Mr. Slate thinks it will work. Mr. Slate invited VACORP to help with a safety program and identify hazards at the plant. Kathleen Guzi and Chris Ballard visited on 3/14/2019. The meeting was informative of their services. They plan to have a follow up walk through to customize training and safety policies to our facility and operators.

Mr. Slate reported Joe Farmer will be taking his class 2 exam on March 27, 2019.

Mr. Slate also reported the new Raper Ridge Tank is to be filled on March 26, 2019. There is a meeting to be held at NRRWA with Scott Bortz and those involved on March 25th at 10am to coordinate the filling procedure.

Lastly, Mr. Slate reported Patti Higgins with DEQ will be onsite March 25, 2019 to do an inspection in reference to our water withdraw permit and the documentation associated with it.

Chairman Bear asked if there were any questions.

Mr. Peed made mention that the withdrawal permit maybe close to renewal. It is a 15 year term.

Chairman Bear congratulated the staff on a good VDH inspection, and commented that Wythe County has been approved for the generator project, hazard mitigation, for the Fort Chiswell pump station. The award amount was \$115,000 (+/-) for the generator. They will be moving forward with it and have a year to finish it. This is an item to check off the list for the health department.

Discussion was made that the generator should show up on the SCADA system at NRRWA.

Ms. Montgomery commented that she was glad to hear that the NRRWA had a good start on the VDH list from the inspection.

Chairman Bear thanked Mr. Slate for working on safety. He also made mention that we do

need you to work on the budget.

Mr. Elvan Peed commented on the budget. He plans to meet with the operators Thursday to go over the budget and hopes to maintain the \$1.25 rate. He will send the draft to everybody.

Chairman Bear proceeded with the agenda.

RE: BOARD TIME

Chairman Bear inquired if there were any other items of discussion that needed to come before the Authority.

Chairman Bear mentioned that though it could be a long time off, Smith County has approached us [Wythe County] and is strongly interested in interconnecting with us. They are working on grant funding and feasibility. The interconnect with them would involve discussion about the current water source/use agreement in place, as well as discussion within the county, Rural Retreat, Wytheville, and the NRRWA. This is on the radar and being studied for feasibility. They would like to have another source of water and we have one of the best around.

Ms. Montgomery reported that Mr. Truitt and I have been approached by the Town of Fries [for water]. They do not know what it would consist of. The first meeting is next week.

Chairman Bear proceeded with the agenda to the agenda.

RE: CLOSED SESSION

Chairman Bear inquired if there were any items to discuss under closed session. There being none, Mr. Bear proceeded with the agenda.

RE: ADJOURNMENT

Chairman Bear inquired if there is any other business to come before the Authority. There being no other business, a motion was made, seconded, and carried to adjourn the meeting at 11:19 a.m.

Stephen Bear, Chairman

Steve Truitt, Secretary/Treasurer

VWP GENERAL INSPECTION REPORT

Site or Project Name: New River Water Authority

Permit #: 04-2106

Section 1 – General Information

Inspection Information			
Inspector: Patti Higgins	Inspection Date	Arrived On Site: 11:50 a.m.	
03-25-2019			
Weather Conditions: partly cloudy/overcast - rain forecasted			
On-site Reps: Zackary Slatte, Chief Operator			
Site Information			
Permit Issued: 01-06-2006	Modification #	Issued: None	Expires: 01-08-2021 – re-apply in 2020
Site or Project Name: New River Water Authority		Contact Name: Zackary Slatte	
Site Physical Location: Intake on the New River 0.37 miles west of St.Rt. 636		Contact Phone: ()	
City: Austinville		County: Wythe	
Permittee Information			
Contact or Responsible Party: New River Water Authority – Mount Rogers Planning Dist.		Phone: ()	
Address: 1021 Terrace Drive			
City: Marion	County: Smyth	State: Virginia	Zip: 24354

Section 2 – Complaint, Observations & Recommendations

Description of the Complaint	
N/A	
Observations During On-Site Inspection	
1.	The permit was issued to increase the water withdrawal from 4 MGD to 10 MGD through an existing intake on the New River. No construction activities were authorized by the permit.
2.	Part I – Special Conditions – A. Authorized Activities #4 states: <i>The current intake screen has a mesh size of 2 millimeters and intake velocity of 0.164 feet per second. Should the need arise to enter the stream for major repairs or renovations, the intake screens shall be updated to meet guidelines in effect at the time of permit modification. Currently the design guidelines require screen openings no larger than 1 millimeter in width and screen face intake velocities no greater than 0.25 feet per second....</i> <u>December 19, 2014</u> the stream was entered to make repairs on the raw water intake structure as stated in a letter Dated January 5, 2015 from Marine Solutions, Inc. (MSI). (<i>Letter Attached</i>). The record of the repairs/maintenance performed on December 19, 2014 done by MSI it would appear that this would have been the prime time to update the screen to meet the regulatory standards and comply with the condition of the permit. This was not completed and the screen and velocity are still at 2 millimeters/0.164 velocity per second. The permit will expire in January 2021, the facility will need to re-apply for a permit in 2020. The facility should be aware that this is an issue that should be corrected and the facility should prepare and work to complete this requirement.
3.	The raw water withdrawal records were collected and reviewed for January, July, November 2016, and January and March 2019. The records indicate the facility had not exceeded the permitted withdrawal of 10 MGD.

VWP GENERAL INSPECTION REPORT

Site or Project Name: New River Water Authority

Permit #: 04-2106

Request for Action Items (Written Response Required)

The permit will expire in January 2021, the facility will need to re-apply for a permit in 2020. The facility should be aware that this is an issue that should be corrected and the facility should prepare and work to complete this requirement. Once the screen(s) have been replaced a written notification or email should be submitted to the DEQ.

General Recommendations (No Response Required)

See above.

Section 3 – Summary

(Inspection Findings)

- The conditions of the permit were reviewed with the facility representative, records were collected and reviewed, photos were taken and no compliance issued were noted during the on-site inspection.
- It is being advised that the facility prepare to have the screen(s) replaced to meet the current regulatory requirements.
