November, 2018

The Carroll County Victim/Witness Program has assisted 34 clients in the month of November.

- Twenty – One (21) victims of larceny
- Ten (10) victims of assault or protective order violations
- Three (3) victims of property crimes

The Victim/Witness Assistant Director continues to advocate for victims in the City of Galax. Clients that are reported are businesses on the Carroll side of the city that have been victimized by shoplifting. The Assistant Director continues to work well with the city prosecutor and court personnel.

The office has assisted in getting clients help with their unpaid medical bills through the Virginia Victims Fund. Also, the office has assisted clients in getting restitution ordered through all three courts.
