**COMMISSION MEMBERS TIME**

Alvin Davidson said that Chuck Edwards and Chuck Berrier had contacted him about the Southwest League Baseball and would like to see franchised with a formal organized league.

Libby Manning advised that she had not heard any complaints from Chuck Edwards or Chuck Berrier. She also informed the Commission that it takes a lot of money to franchise with an organized league. The County is in a financial bind and I do not feel that the money is in the budget to do a franchise. She also explained that this would put a lot of parents in a bind with traveling so far to play. This would not be a decision that she would be making the season has already started for this year and she will advise Garrett Nelson, Sports Coordinator of the request.

**ADJOURNMENT**

Upon motion by Mr. Mayo, seconded by Mr. Joyce and passed unanimously, the Commission adjourned at 6:08 p.m.
