Reimbursements from the grant funds will be made only for qualified and approved items purchased on or after December 4, 2020. The equipment must be purchased within six months of the December 4, 2020 date, or by June 4, 2021. Please note, that in order to support the installation of school security equipment during the summer months and to expedite the spend-down of these Notes funds, school divisions and regional programs may include for reimbursement approved equipment purchased on or after June 9, 2020. (Reference Superintendents' Memo. #161-20). A local match of 25 percent of the grant award is required. The local match should also be spent by the June 4, 2021 deadline. The grant funds will be disbursed on a cost reimbursement basis only.
