RE: GO Virginia Region One, Carroll County IDA: Southwest Virginia Livestock & Educational Center Project

Dear Mr. Dalton,

On behalf of the GO Virginia Region One Council, I am writing to inform you of the status of the Carroll County Industrial Development Authority: Southwest Virginia Livestock and Educational Center Project.

On April 28, 2020, the Region One Council met to discuss various items, with one of those being the Southwest Virginia Livestock and Education Center project. Due to the project experiencing significant delays and being unable to execute the contract, it was unanimously decided that the Carroll County Industrial Development Authority: Southwest Virginia Livestock & Educational Center GO Virginia award of \$100,000 be returned to the GO VA Region One per capita funds. We stand ready to assist Carroll County with future projects.

If you have any questions on how to apply for future GO Virginia funds, please contact the Kalen Hunter, Program Director for additional information.

Sincerely,

Mike Quillen
GO Virginia Region One Chair
