Carroll County Board of Supervisors

Mr. Tracy Moore, Chairman

Mr. Jody Early, Vice-Chairman

Mr. Robbie McCraw

Mr. Rex Hill

Mr. Ronnie Collins

Mr. Joey Dickson

Good evening gentlemen,

On Monday, February 28<sup>th</sup>, 2022 we received notification from the Environmental Protection Agency that Carroll County Public Schools were the recipient of a Diesel Emissions Reduction Act School Bus Rebate in the amount of \$100,000.00 to scrap and replace five buses. This grant will allow for a \$20,000 per bus rebate on the purchase of newer, more environmentally friendly school buses.

In order to purchase these new school buses we are respectfully requesting that the \$500,000.00 that was removed from the 2021-2022 school board budget be reallocated for this purpose. The most recent quote for the 5 modern diesel school buses was \$424,725.00, the amount of the purchase price of the school buses minus the \$100,000.00 in rebates.

In order to receive the buses by September our order would have to be placed by April 1. Our goal is to continue with the yearly replacement schedule of our bus fleet and we would greatly appreciate your consideration of this request. I am available to answer any questions anytime at 276-730-3201.

Sincerely,

A handwritten signature in black ink that reads 'Mark A. Burnette'.

Mark Burnette
