**RE: Hillsville P H Thrift Store**

**To Whom It May Concern:**

This letter is to serve as a detailed explanation letter for Hillsville P H Thrift Store that Hillsville Pentecostal Holiness Church will be opening soon.

The thrift store will serve our community as well as surrounding communities as a place to purchase gently used and new clothing, shoes, furniture, & appliances at an affordable price. We plan to minister to the people that enters the store. We have always been blessed with amazing items for our monthly yard sales at the church & we decided that we need to bless the community with a store that will be opened possibly 6 days a week and one late evening hours will be available. The prices of the items will be very affordable to help the people of the community.

We will also be helping people that are victims to burn outs and others in special needs.

This thrift store will not only be a place to shop and find great deals but it will be a place that hurting people will be helped, broken people will be ministered to, and a place people can volunteer to help and feel needed, wanted, and loved. All proceeds from the thrift store will be put into the church to allow us to go out and minister to the people and the community.

Should you need more information or have any questions, please call the Pastor at 276-233-6971.

Sincerely,

Rev. Jeff Pickett
