Re: Petition to request abandonment of a portion of discontinued State Route 672, known as New Hope Road.

Board approval is requested to set and hold a Public Hearing at the November meeting for the purpose of hearing public comments pertaining to the request to abandon 0.90 miles of discontinued State Route 672, known as New Hope Road. Land owner and petitioner Albert Zimmerman, III has complied with Subsection (a) of the Carroll County Board of Supervisors POLICY REGARDING ABANDONMENT OF PUBLIC ROADS WITHIN THE VIRGINIA SECONDARY HIGHWAY SYSTEM, AND ROADS NOT MAINTAINED BY THE VIRGINIA DEPARTMENT OF TRANSPORTATION, (the POLICY).

If the Board desires to set and hold the Public Hearing, Subsection (b) of the POLICY, then Subsections (c – h) will be completed to move toward Subsection (i) which is the Public Hearing. The date of the November meeting will need to be stated so that this information can be included in the Notice of Public Hearing.
