

**Exit 1 / Cana Water System Interconnection:** The cost estimate for the project has been complete. The resolution to apply for funding is in the approval items. The VDH application for the infrastructure bill funding is due May 6<sup>th</sup>. VDH will also have their normal annual DWSRF funding application that is due on May 6<sup>th</sup>. The VDH FCAP folks have been encouraging folks to apply for both pools of funding and this can be done with the same application.
